

MCCARTNEY RETURNS TO EHT

25 years ago, Scullville Bible Church sent one-half of the McCartney twins (EHTHS Class of '86) to Somers Point to serve as the pastor of Mission Point Church, then called Calvary Independent Baptist Church. And now, he has come home. Pastor James McCartney has returned to join Lead Pastor, Peter Dellas, as Scullville's new Associate Pastor.

The faithful members and attendees at Scullville Bible Church are hoping that McCartney's experience in helping to build great teams, creating ministries that serve younger families, and growing a church from an original 5 to over 400 attendees at its prime will help SVBC expand its reach in Egg Harbor Township and surrounding communities.

Pastor James said, "Scullville was a great church to grow up in. It was the kind of church that grew great people, great families, and great members of the community. The life lessons I learned from the Bible and the love I experienced from Christ and His Church changed my life. I'm praying that a whole new generation of people will find the same kind of hope and joy that I have found. And, that as good as it has been, I pray that Scullville Bible's best days are yet to come! I look forward to the challenge and the adventure!"

McCartney also works as a Funeral Assistant at the Adams Perfect Funeral Homes in Northfield. He is the proud father of 3 high schoolers and 1 college student. And, is the brother of former EHT Superintendent, Dr. Scott McCartney, and Dental Assistant/Realtor, Colleen O'Neil. His parents, Jim and Patricia McCartney, also live and worship in the Township.

Pastor James welcomes any and all un-churched or de-churched friends to join him at Scullville Bible Church on Sunday mornings in October and November as he teaches a 7-week sermon series called, "Lessons From the Lips of Jesus."
